CSI NOTICE TO CLIENTS 03-2017

SUBJECT: USEPA VESSEL GENERAL PERMIT ANNUAL REPORT

February 28, 2017 is the deadline for submission of the USEPA Vessel General Permit (VGP) Annual Report for calendar year 2016. The Annual Report, as described in Section 4.4.1 of the USEPA 2013 VGP Final Rule, is required to be submitted for each vessel that had an active Notice of Intent (NOI) at any time during the 2016 calendar year, regardless of whether or not the vessel made any calls to the United States in 2016.

Annual Reports must be submitted electronically using the 2013 VGP eNOI System. We recommend you collect the necessary data from your vessels to complete and submit the report well in advance of the deadline date. Compliance Systems will prepare the reports on your behalf for a nominal fee. If you would like CSI to prepare the report, please email us at csi@compliancesystemsinc.com. We will require you to complete a questionnaire providing the required data for the selected vessels.
