CSI Notice to Clients 11-2017

SUBJECT: USCG Released Updated Ballast Water Frequently Asked Questions (FAQ)

The USCG has released an updated Frequently Asked Questions (FAQ) regarding U.S. Ballast Water Management regulations. The FAQ includes clarification of regulations regarding Ballast Water Management requirements, Alternate Management Systems (AMS), Ballast Water Treatment System (BWTS) Implementation and Extension Program, and Enforcement and Compliance Guidance.

We have attached the updated FAQ with this Notice to Clients, and it can also be found online [Here](#)

As mentioned in our Notice of Clients 10-2017, the USCG has stepped up their enforcement of U.S. ballast water management regulations. In order to avoid enforcement actions, please review the regulations and FAQ, and ensure that your vessels are operating in compliance with the regulations.

As always, if you have any questions regarding U.S. Ballast Water Management regulations and enforcement, please contact us.
